Interior designers and residential design firms ...

#GetYourGreenOn

The Sustainable Furnishings Council is pleased to announce its first-ever design awards, #GetYourGreenOn. This annual competition honors interior designers who specify sustainable and healthful home furnishings for their clients' residences.

Part awards program, part social media campaign, #GetYourGreenOn launches in 2016 as SFC celebrates its 10th anniversary, a milestone that marks a decade-long commitment to promoting healthy environments both inside and outside the home.

Entries will be featured in SFC's social media channels and educational programming leading up to the fall season. The #GetYourGreenOn winners (six total) will be announced during a special anniversary celebration on Friday, Oct. 21, during High Point Market.

Both SFC-member and non-member interior designers and design firms are eligible to enter #GetYourGreenOn. Residential interior design projects completed between **January 1, 2015, and March 31, 2016**, qualify, and entries must feature at least one product from an SFC-member manufacturer or supplier.

The deadline for entries is Monday, May 16 ... #GetYourGreenOn today!
